- Not carrying out instructions from staff
- Taking too long to line up
- Disruptive behaviour during line up
- Leaving the playground without permission
- Hanging around inside the corridors/toilets
- Dropping litter
- Running in the corridor

This is not an exhaustive list and staff may issue
yellow cards for other reasons.

(Yellow card will result in 'time out' within a play time period. This card will stay with a pupil for 5 school days. Another offence within this period will result in a red card. If the period elapses without a further offence, the card is removed.)

RED CARD

You will most likely get a red card (sanction)
for the following:

- Fighting
- Bullying
- Disrespect to staff
- Damaging property
- Causing danger to people (including staff)
- Bad language
- 2 yellow cards

Staff can give immediate red cards for any
offence which they see as serious -
it does not need to be on the above list.

(Any red card offence will be recorded in the Incident Book and parents informed. Red cards will also result in a ~~break time~~ detention the following Thursday.)

We follow a positive behaviour policy which can be viewed on the school website. This includes the use of a red/yellow/gold card policy.

We use Class Dojo in class, children can earn/lose points based on choices made. There are other class rewards such as 'The Wow Board', class marbles etc.

The background features abstract, thick, rounded lines in red and orange. On the left, a vertical orange line intersects with two horizontal red lines. A small black dot is located at the intersection of the orange line and the lower red line. On the right, a vertical red line curves at the top and bottom, with a small black dot on its upper section. A large green circle is positioned in the lower right area, partially overlapping the red line.
